

International Baccalaureate

This information sheet is intended to help students admitted to the University of Toronto Mississauga understand how we recognize the International Baccalaureate program. The information on this sheet only applies to admitted students who are registered during the **2011-2012** academic year.

A list of possible transfer credits is given below. You can expect to receive credit for your Higher Levels provided that you achieve a grade of 5, 6 or 7 in each subject. If you wish to decline or forfeit any of these credits, you must meet with an academic advisor in the Office of the Registrar at U of T Mississauga **no later than September 30, 2011**. The option to forfeit is only available to students who have not attended a post secondary institution. Transfer credit is awarded for Higher Level subjects only and at the first year level. Please note that if you forfeit credit for a Higher Level course, and you were given two half credit equivalent courses here, you will forfeit both half credits.

Any courses listed below as “Exclusions” are courses offered here in which you may *not* enrol unless you choose to forfeit the transfer credit. In addition, you may not enrol in any courses listed in the U of T Mississauga Calendar as exclusions for these courses or the transfer credits.

Final IB results must be sent electronically to Admissions and Awards directly from the International Baccalaureate Office (IBO). You can make the arrangement at: www.ibo.org/graduates/transcripts/index.cfm. Please note that final results issued from your school are not acceptable.

Legend: The first three letters of the course code indicate the discipline, or subject area. The first number of the code indicates the year level of the course where 1 = first year, 2 = second year, etc. The next two numbers indicate the specific course and “***” indicates that there is no exact equivalent at U of T for the course you have taken, so a generic credit is granted. Thus ENG 1**Y represents a generic credit in English at the first year level.

Note: As this information may change, please visit <http://www.adm.utoronto.ca/TransferCredits> for updates.
